WHAT IS DESIGN QUEST

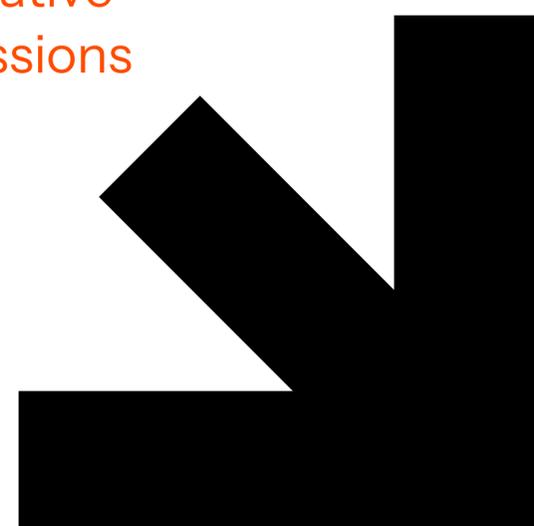

Design Quest is a growing community of designers based in Mangaluru, owned by Coco Grid Pvt. Ltd.

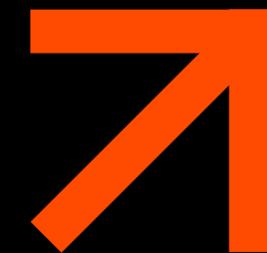

This community is built to connect, learn, and evolve together. We bring together creative minds from diverse backgrounds, with a strong focus on UI/UX, to share knowledge, spark conversations, and support each other's design journeys.

HISTORY & OUR JOURNEY

Design Quest began in 2023 as a small, informal gathering of 20 designers and, driven by an overwhelming community response, has grown into a structured initiative featuring annual flagship meetups and Mini Quest sessions throughout the year.
